

## **"GODS REMEMBERS NOAH"**

1. If your house was about to be lost in a flood, what two objects (not people) would you save first?

---

2. Where do you see God's provision and care in these verses?

---

3. What do you find most difficult about waiting for God's plan to unfold?

---

4. What might Noah be feeling as he boards the ark? During the initial flood? The long wait afterwards?

---

5. Has there ever been a time in your life when you felt alone or abandoned, either by other people or by God?

---

6. There is no record of God speaking to Noah again until he comes off the ark just over a year later (8:15). Why might God choose to be silent? What is the purpose of the valleys of silence in our lives?

---

7. If you could hear one thing from God in the "valley" times, what would it be? Why is the Word of God especially important during those times?

---

8. What offering can we give in the valleys that glorifies God the most?

---

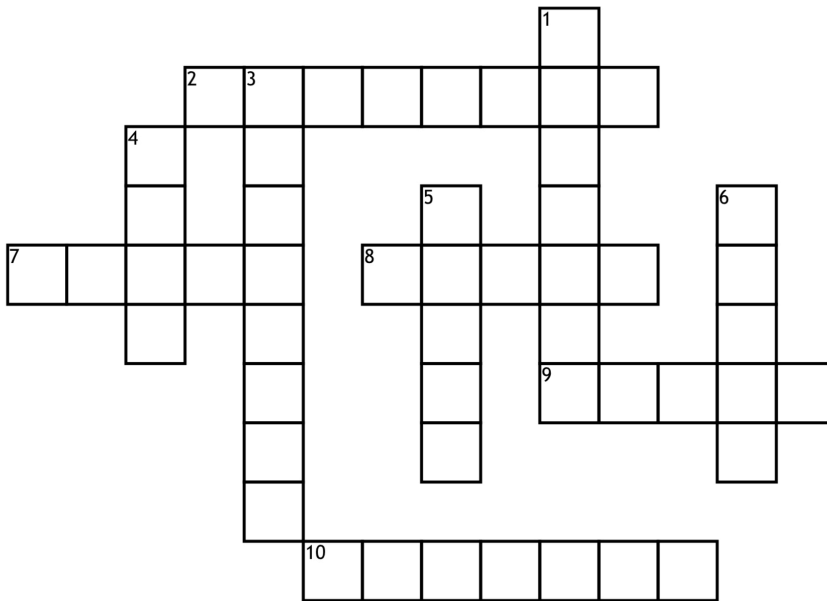

9. What does it mean that God "remembered" Noah and the animals? Had He forgotten them? Where else in scripture does it say God "remembered" someone?

---

10. Who do you know who might need a reminder that they have not been forgotten? How are you going to remind them?

---

---
